I'm passionate about helping business get their best appearance ever With a futuristic simple vision.

EXPERIENCE

Graphic Designer 08/2020 - Present
Freelance

I've been working as a freelance graphic designer for 3 years now. Which enabled me to work with business owners and companies and reach their desired designs.

- Dexterity and professionalism in dealing with clients.
- Follow the modern trends and appearances.

Social Media Manager 04/2020 - Present
Freelance

I worked with several pages on independent social media projects,
Which allowed me to deal with different people and different projects, which increased my experience

- Producing content to be published online/ produce original ideas
- Create posts, pages, and applications to attract customers.

EDUCATION

English Literature 01/2018 - Present
Tishreen University - Bachelor's Degree
